ResNet WIFI

Please sign in to the "ResNet" wireless network with your Old Westbury ID and password. The procedure needs to be done only once.

To login with your iOS device use the following steps:

1. Settings
2. WiFi
3. Choose a Network
4. Select "Resnet" from the wireless networks list
5. Type in your Old Westbury ID and password

To login with your Android device use the following steps:

1. Settings
2. Wireless and network
3. WiFi Settings
4. Select "Resnet" from the wireless networks list.
5. Identity: Type in your Old Westbury Username
6. Anonymous identity - leave blank
7. Password - type in your Old Westbury password.
8. Click "Connect"

To login with your Windows 7 use the following steps:

1. Click the wireless icon on the Windows Taskbar.
2. Select "ResNet" from the available networks.
3. Check "Connect automatically" and hit the Connect button
4. Enter your Old Westbury Username and password. Click the OK button.
5. You will receive a pop-up to access the RIT Radius Certificate. Click Connect to save the certificate.
6. Your device should now be connected.

To login with your Windows 10 use the following steps:

1. Locate the WIFI icon on the Task bar and select it. It will expand, showing you all available networks within range.
2. Select "ResNet" Check "Connect automatically", and hit Connect
3. The network authentication page will pop up, Type in your Old Westbury Username
4. Click Ok.
5. You will get a pop-up asking if you'd like to "Continue connecting?" Select Connect.
6. Your device should now be connected.
