NEWSLETTER — OCTOBER 2021

## IN CASE YOU MISSED IT!

We're working to improve the campus experience everyday. Some recent improvements include the new lounge furniture across campus.

You've probably noticed some new volleyball nets outside the halls. Take advantage while the weather is still good! You can sign a ball out at the AV RA Office (Bolivar) and the RA Office in Woodlands Hall 2.

We're working with other campus partners to continue improvements:

- We're expecting additional picnic style tables and additional trash cans for AV to be delivered on or before 10/18
- Our facilities and maintenance wrapped up work on Woodlands Hall 2 transformer to fix power issues
- UPD and Facilities are working on fixing lighting concerns around the Woodlands
- Additional microwaves for AV are expected around 10/15
- Also in the works, exploration of **AV Kitchen** Locations as well as a **Village Gym!**
