Broad-based fees are generally charged to all enrolled students to finance discrete activities that benefit the student body, excluding those activities that are part of the core instructional program. Broad-based fees include but are not limited to the College Fee, Academic Excellence and Success Fee, Student Health Services Fee, Intercollegiate Athletics Fee, Technology Fee, and the Transportation Fee. All broad-based fees require approval of the Chancellor's designee. [SUNY Policy Document 7804] The Student Activity, while not officially a broad-based fee, is included to show total fees charged to students.
