RESIDENTIAL LIFE

NEWSLETTER — NOVEMBER 2021

IN CASE YOU MISSED IT!

We're working to improve the campus experience every day. Some recent improvements include the installation of our new picnic benches in the Academic Village.

Updates & Reminders

- We recently installed additional new microwaves in the AV Lounges, and replaced missing and broken units in the woodlands.
- The **heat is on** if for any reason your heat is not working please find an RA or RHD immediately to let them know. We'll work with facilities to address the concern ASAP.
- An important message from Martha Santana, CFO & VP of Business and Finance to all Hall 2 residents on Friday — please be sure to read it!
- **Village Gym** — we're moving forward with the purchasing process, but lead times for flooring and some equipment is substantial, meaning that we won't be up and running until Spring. We'll keep you updated as we go.
- Staying for Thanksgiving? No problem, but please help us manage college resources by completing this brief survey <https://forms.office.com/r/6dxgwqEiOp>
- Alternate RA Applications are now available. If you're interested please e-mail RHD Steph strippolis@oldwestbury.edu for details.

We're working with other campus partners to continue improvements:

- Facilities continues to work on fixing lighting concerns around the Woodlands
- Facilities has partial pricing for **AV Kitchens**, and we've followed up asking for next steps. We hope to have more positive updates soon!
