

# RESIDENTIAL LIFE

## NEWSLETTER

### THANKSGIVING BREAK

Thanksgiving break begins Wednesday, November 23 after the last scheduled class and ends Sunday, November 27. Please keep in mind that all College policies remain in effect at all times. Students who choose to stay on-campus over the break must carry their SUNY Old Westbury ID card with them at all times. University Police will be checking IDs at the front gates, and Residential Life staff may ask students for ID within the residence halls.

#### During the break time, we are asking residents to:

1. Take all valuables and necessities that you may need over the break, including computers, books, money, medications, clothing, etc.
2. Remove all perishable and unprotected foods from your room.
3. Close and lock all room windows. Woodlands residents should have their air units set to "auto" before they leave.
4. Take all trash to the outside dumpsters.
5. Turn off all room lights and electronics.
6. Lock your room door before you leave. Take your room keys with you and remember to bring them back when you return from the break.

### SAFETY REMINDERS

As the semester comes to a close, it is important to remember the policies in place to keep our residential communities safe.

- Smoking of any kind is prohibited in the residence halls which includes student rooms, bathrooms, and other common areas. Tobacco use is prohibited on campus except in designated areas. Cannabis use and/or possession is prohibited on campus, as required by federal law under the Drug-Free Schools and Communities Act.
- Firearms, knives, and other weapons are prohibited on campus and in the residence halls. This includes recreational weapons, such as airsoft guns, paintball guns, and gel blaster guns.
- Please do not prop exterior doors to the residence halls. This puts building security at risk and creates an entryway for pests and vermin. Students will be sanctioned under the Code of Conduct if found responsible for propping doors or otherwise tampering with door locks.
- Smoke detectors may not be covered or otherwise tampered with. Tampering with fire safety equipment is a violation of the Code of Conduct and endangers the lives of all community members.

Please help us maintain the safety of our residence halls by following these policies and communicating with our staff when safety concerns arise.
