

StEM Workshop Series, S'23 Amazon Lex Immersion Day (NSF: CISE-MSI: Award #2131052)

Venue: NAB 1113

Friday, February 24th 11:00 AM – 3:00 PM

Speakers

Registration: Register [here](#)
(only required for students)

Schedule:

10:45 AM: Check-in
11:00 AM: Session 1
12:30 PM: Break
1:00 PM: Session 2

The Amazon Lex Immersion Day will provide students with hands-on experience to guide them on their **Conversational AI and bot-building** journey. After attending a Lex Immersion Day, students will understand how Amazon Lex can be used to build automated chat bot agents enabling self-service, FAQs, IVR call routing and more on multiple channels (web, contact center, etc.)
