**“Over Sixty” (Senior Auditor) Program**  
Effective January 25, 2016

The “Over 60” Program (OSP) permits persons 60 years of age and over to observe (audit) courses on a space-available, instructor permission basis without the payment of tuition. Participating observers will not receive academic credit for courses attended. Course observers/auditors with an auditor ID card are permitted the use the Library and the Clark Center (gym).

The OSP program is a privilege and may be revoked by the college at anytime.

How to Enroll in the OSP Program:

- Complete a “Senior Auditor” application with the Office of Enrollment Services.
- When the application has been processed, it will be returned to you for instructor approval.
- View the course schedule at www.oldwestbury.edu to choose a course.
- On the first day of class, request permission of the instructor of the course you would like to audit. If the instructor approves, s/he may sign the application.
- Submit the completed application to the Office of the Registrar.
- After the course to be audited is recorded as such, an auditor may request an ID card and purchase a vehicle registration decal. Auditors can purchase a parking decal at the Bursar’s Office. The cost is $10.00 for the first vehicle and $5.00 for each additional vehicle. Failure to register vehicle/s will result in ticketing and possible towing at the owner’s expense.

**Financial Aid**  
Revised as of June 26, 2015

In July 2012, President Obama signed the Moving Ahead for Progress in the 21st Century Act to cover the temporary extension of the 3.4 percent interest rate on Direct subsidized loans through June 30, 2013. This new law, commonly called the “150 percent limit,” includes two key changes for certain direct subsidized loan borrowers:

1. Limitation on Direct subsidized loan eligibility.
2. Potential loss of interest subsidy.

New borrowers who reach the 150 percent limit:

- Do not qualify for Direct subsidized loans for future enrollment unless they enroll in a longer program of study.
• May lose interest subsidy for prior loans when they:
  – Received Direct subsidized loans for 150 percent of the length of a program of study; AND
  – Have not completed their programs; AND
• Continue to be enrolled on at least a half-time basis in the same program, a different program of the same length, or a program of shorter duration.

**Maximum Eligibility Period (MEP)**
The MEP is 150 percent of the published length of the borrower’s current academic program, measured in academic years. Schools will report the academic program length in years, months or weeks.

Consent to Use of Images for Publicity/Promotional Uses

(Policy created in August 2014)

Registration as a student and attendance at or participation in classes and other campus and College activities constitutes an agreement by the student to the College's use and distribution (both now and in the future) of the student's image or voice in photographs, videotapes, online and social media, electronic reproductions, or audiotapes of such classes and other campus and College activities. This statement reflects the complete College policy on this subject.

Access to Student Records

Revised as of September 10, 2015

The second bulleted item in this section was amended to read as follows:

- The University discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff or a person or company with whom the University has contracted as its agent to provide a service instead of using University employees or officials); a person serving on the Board of Trustees; SUNY System Administration employees or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the University.

Academic Credit for Military Training

Revised as of July 24, 2015

Credits awarded for military service are not accepted under the Accreditation Program for Experiential Learning (APEL) policy.

Change in Credit Requirements

Revised as of April 23, 2015

Degree Requirement Changes Effective Fall 2015

In order to be in compliance with the SUNY Seamless Transfer mandate regarding maximum degree credits, as of Fall 2015 the number of credits required for a BS in Accounting degree, BS/MS in Accounting, BS/MS in Taxation will be reduced from 128 credits to 126 credits. To do so we have changed the number of credits for BU3502 Principles of Accounting I & BU3511 Principles of Accounting II to 3 credits each. This will impact on both the college minimum residence and the School of Business residence for all of our undergraduate degrees. The change in number of credits for Accounting I & II will
not affect the degree requirements or the OW residence for our Business Administration degree but will affect the School of Business residence for this degree.

Below is a summary of the new residence requirements for our undergraduate degrees as of Fall 2015:
