Effective August 7, 2017

The following statement is an addition to the “Admissions and Application Procedures” section:

State University of New York policy prohibits SUNY Old Westbury admissions applications from inquiring into an applicant’s prior criminal history. After acceptance, the College shall inquire if the student has previously been convicted of a felony if such individual seeks campus housing or participation in clinical or field experiences, internships or study abroad programs. The information required to be disclosed under SUNY policy regarding such felony convictions shall be reviewed by a standing campus committee consistent with the legal standards articulated in New York State Corrections Law.

Students who have previously been convicted of a felony are advised that their prior criminal history may impede their ability to complete the requirements of certain academic programs and/or to meet licensure requirements for certain professions. Students who have concerns about such matters are advised to contact the dean’s office of the respective school that houses their intended academic program.

School of Professional Studies

The section on the Bachelor of Professional Studies degree offered by the School should read as follows:

The B.P.S. in Professional Studies
Note that the BPS in Professional Studies is separate from the School of Business. Its courses do not count toward School of Business requirements. The BPS includes 4 required courses (16 credits) that relate to traditional business subjects (Accounting for Professionals, Professional Supervision, Marketing for Professionals, and Financial Systems), and students in the program can take no more than 8 additional credits that are considered traditional business subjects as electives.

The BPS in Professional Studies requires a total of 120 credits, at least 30 of which must be in the Liberal Arts, 40 taken at Old Westbury, and 45 at the upper-division level. These are divided into three sets of courses:

A. Liberal Education Curriculum
Refer to the Liberal Education Curriculum Bulletin for specific requirements.

B. Major Requirements
(40 credits)
1. The Major Core: 36 credits

MA2000 Applied Statistics
PS2330 Fundamentals of Economics
