2.2 The Student is responsible for reporting to the Sponsor upon arriving at the campus. The Student must be in good academic and financial standing at the College, i.e., having been admitted, registered, paid appropriate tuition and fees for the upcoming academic period to receive College provided housing. If any Student desires to remain on campus he or she must obtain approval from the Vice President of Student Affairs.

2.3 The Sponsor is primarily responsible for working with the Student and other College personnel in securing and coordinating the Student’s stay on campus. Specifically, the Sponsor is responsible for forwarding the Student’s request to stay to the Vice President for Student Affairs; establishing arrangements before the Student’s arrival on campus; confirming registration and payment information with the Registrar and Bursar Offices; working with the Office of Residential Life in securing housing and meals; and, preparing and monitoring a service program which ensures that the Student performs the service and work the hours prescribed in the specific College program or organized activity. The Sponsor must obtain approval of the service program from the Vice President for Student Affairs.

2.4 The Office of Residential Life, under the supervision of the Vice President for Student Affairs and the Director of Residential Life, is responsible for housing the Students and managing the day-to-day operations of the residence halls.
