

Notice of CARES Act Award – November 20, 2020

Dear Old Westbury Panther,

In response to the coronavirus, funds have been made available through the CARES Act to award emergency grants to Title IV eligible students for expenses related to the disruption of your education at Old Westbury.

Due to a recent change in guidance from SUNY for distributing these funds, the Campus has deemed you eligible to receive a CARES Act award of \$ 365.00. *This is not a loan and will not need to be paid back.* These funds are for the following allowable expenses: food, housing, course materials, technology, health care, childcare or transportation.

If you have e-Refund (direct deposit), the amount of your award will be credited to your bank account. If you do not have e-Refund, a manual check will be mailed to your official address on file.

We recognize the financial impact on students and parents during these uncertain times and hope that this award will help defray some of the unanticipated costs caused by this disruption.

Please contact the Bursar's Office at bursar@oldwestbury.edu or the Financial Aid Office at financialaid@oldwestbury.edu if you have questions.

Stay safe and Happy Holidays!

Len L Davis, Senior Vice President & CFO
ON BEHALF OF THE SUNY OLD WESTBURY CARES ACT COMMITTEE
