MEMORANDUM

To: The College Community

From: Arthur H. Angst
Operations Manager

Date: May 31, 2017

Subject: Misconduct in Science (MIS) Policy

Attached is a copy of the subject policy to be followed by the State University of New York College at Old Westbury in accordance with the U.S. Department of Health and Human Services, Office of Research Integrity, Misconduct in Science Policy. It is mandated that all research facilities receiving Office of Public Health Services funding not only have such a policy in place but that it be promulgated at least once a year.

As noted in Section I-D of the attachment, Mr. Patrick Cadet, who is the MIS Policy Officer, will work in confidence with anyone who reports a complaint. Oversight and compliance are extremely important issues within and for the research community.

Thank you.
