Dear Old Westbury Alumni,

It is hard to imagine that on Wednesday, May 3rd, 2017, SUNY Old Westbury is celebrating “The 10th Annual Student MAC Awards”. You are receiving this letter as I am personally inviting you return to Old Westbury and visit your professors, roam the halls, see our facilities and join us as we celebrate 10 years of this wild idea I had way back called the ‘Media Arts Celebration’. I know that all of you as nominees and winners are successful in a variety of careers, and I am asking that you join us, and witness the creativity and professionalism of our students work across all curriculums.

I invite you to return for conversation, for networking, and discussion on how you can participate in our print, radio, television, digital arts, new media and video environments. I type this letter as even I reflect on my alma matter, that I still remain connected to, as I believe any student effected positively by a faculty member, or learning laboratory should never forget where, and how they acquired their skills and knowledge. If SUNY Old Westbury or the MAC Awards did that for you, then join us:

- Wednesday, May 3rd, 2017
- SUNY Old Westbury, Campus Center, Maguire Theatre
- 6 PM, Red Carpet Ceremony
- 7 PM, “The 10th Annual Student MAC Awards”

I look forward to seeing you and celebrating this special MAC Awards anniversary. I would like to say a very special thank you to all of the hard work and dedication of my colleagues on the MAC Awards committee, our amazing professional judges over the years, our vendors, the SGA, and of course the continuing support of SUNY Old Westbury, and our amazing students. The MAC Awards continues to be a great college wide opportunity for students to demonstrate their skills throughout multiple academic disciplines evoking thought, creativity and change.
