

# SCHOOL OF BUSINESS FALL 2015 PROGRAMS & EVENTS

## ***NEW RULES***

Beginning in fall 2015, all School of Business students who wish to attend the Accounting Networking Reception in the fall and/or the Business Networking Reception in the spring **will be required** to attend 2 of 4 career-related events that are offered each semester: **Resume Writing Workshop, Interviewing Workshop, Networking Workshop and Mock Interview Day**. Once the student has attended 2 events, he/she will have satisfied the requirement to be eligible to go to either or both Networking Receptions and will not have to attend these career-related events again in future semesters unless he/she wants to. Prior registration and sign-in will be required for all events, which will be used to determine a student's eligibility to attend the Networking Receptions. If a student has already attended 2 of these events prior to fall 2015, the student is to inform Lorraine Todisco via email at [TodiscoL@oldwestbury.edu](mailto:TodiscoL@oldwestbury.edu) and she will check the attendance records to confirm the student's past participation.

**FAILURE TO ATTEND AN EVENT FOR WHICH YOU ARE REGISTERED:** Students who fail to attend an event for which they have previously registered without prior notification to Lorraine Todisco will be barred from attending any future programs and events sponsored by the School of Business. There will be no exceptions.

All information about School of Business programs and events is posted on the SUNY Old Westbury website on the School of Business Events page at <http://www.oldwestbury.edu/schools/business/events>. Please visit the Events page often throughout the semester to view event information and updates.

## **ACCOUNTING RECRUITMENT PROGRAM PARTICIPATION & REQUIREMENTS!**

The School of Business will be running an **Accounting Recruitment Program** from August 30, 2015 through the end of October 2015. This program permits Accounting majors to have their resumes mailed out to participating accounting firms for an

opportunity for either an on-campus or in-house interview with the firms. Several well-known regional and national CPA firms have agreed to accept resumes from our Accounting students who will be graduating in December 2015, May 2016 or August 2016.

**PLEASE NOTE:** Each program, presentation and workshop requires **separate registration**. For example, registering for the 'Accounting Recruitment Program' does not register you for any of the workshops, presentations or Mock interview Day.

You may also meet the firms at the **Accounting Networking Reception on October 8, 2015**, but in order to be eligible to attend the reception you must attend 2 of the following 4 career-related programs being held in September and early October: Resume Writing Workshop, Interviewing Workshop, Networking Workshop and Mock Interview Day.
