To Request A Roommate:

1. Login to Housing Self Service (See steps 1-3 in Orange section)
2. Click Room Selection and then Roommates/Suitemates in the menu
3. Select **Fall 2019**

6. Click Begin Search
7. Click Request This Student button.

Please note once you request a roommate they must confirm the request for the system to match you.

No roommate? You will still be able to pick a bed during the Students Without A Roommate Selection on April 4th.

Didn't Qualify? You should clear any issues related to your disqualification as soon as possible. Our office will place you during the summer, after placing new students. Check your OW e-mail for updates.

ROOM SELECTION (THOSE WITH ROOMMATES)

April 1st 10am - April 2nd 11:59PM

Any roommate of the group can pick the room for the entire group once their specific selection time has begun. Once someone has picked the room, the selection is final until after the room freeze is over in the Fall. Your specific selection time is listed on the main page of Housing Self Service. From that time through the end of the selection time you will be able to pick your room. Room selection runs from 10am, April 1st through 11.59pm, April 2nd. The system shows you room availability in real time.

1. Login to Housing Self Service (See steps 1-3 in Orange section)
2. Click Room Selection then Select a Room or Suite in the menu
3. Select and confirm your room from the available options – Don't forget that whoever makes the pick does so for all roommates.

All Selections Are Final (until Fall room freeze is over in September)

If no rooms are listed then all available space has been filled. This may happen if you are hoping to get a triple and all triples have been selected. You will need to remove one person from the group to see available doubles, and then make your selection.

STUDENTS WITHOUT A ROOMMATE SELECTION

April 4 (10am-5pm)

If you qualified and did not participate in general selection then this is your opportunity to select a bed. Other students in a similar situation will fill the room.

1. Login to Housing Self Service (See steps 1-3 in Orange section)
2. Click Room Selection then Select a Room or Suite in the menu
3. Select and confirm your bed from the available options

All Selections Are Final (until Fall room freeze is over in September)

Please note any qualified student who does not select during either selection process will be randomly assigned by our office once the selection process has concluded.

FAQ

Q: Why can't I find my roommate online?

A: Either your roommate is not qualified and part of the selection, **OR** you are misspelling/mistyping their information in the search. If you are still having issues please come to the main office for assistance.

Q: How is my selection time determined?

A: Times are assigned based on credits earned.

Q: What happens if I do not participate in the room selection process?

A: Your housing contract will expire at the end of the Spring 2019 semester and you will **NOT HAVE HOUSING** for the 2019- 2020 academic year.

Q: What happens if I decide after room selection has finished that I want a room for the 2019- 2020 academic semester?

A: You will need to submit an online application, housing deposit, and clear any holds.

PLEASE NOTE: A waiting list for housing is very likely for Fall Housing. Final assignments will not be made available until Late August.

Q: What if I want to cancel my housing over the summer?

A: All requests for housing cancellations must be made ***in writing as quickly as possible*** to avoid the possibility of account charges and holds. Such requests must be sent from your official OW e-mail to Reslife@oldwestbury.edu by July 1.

Q: If I decide to cancel my housing, how can I get my deposit back?

A: The \$50.00 advance housing deposit is **NOT REFUNDABLE** after July 1 for Fall semester applications and December 15 for Spring semester applications.

If cancellation occurs after these dates, either at the request of the student or for failure to pay the bills, the deposit cannot be refunded but will stay on the students account.

Advance housing deposits made after July 1 become non-refundable 30 days from the date the re-admit application is received by the Office of Residential Life or after the first day of classes, whichever comes first. Please contact our office to request a deposit refund.

Q: What happens if I'm financially canceled during the summer?

A: You must be in good financial standing with the College to continue in on-campus housing. If you are financially canceled, you will need to re-register for class and re-qualify for housing. We cannot guarantee you will be re-assigned back to the original room you selected. You may get wait listed for a room.

Q: My cumulative GPA fell below a 2.0, now what?

A: You are ineligible to live in campus housing and your assignment will be cancelled. You may reapply once you become eligible.

Q: I am a student with a disability, what options are available?

A: Inquiries regarding reasonable accommodations can be made by contacting the Office of Services for Students with Disabilities (OSSD) - NAB 2065 Phone: 516-876-3009 Email: defelices@oldwestbury.edu

Students should select a space during room selection 1st to ensure a bed for the fall, those approved will be reassigned over the summer.
