The 2017 Student Research Day is approaching. This is an annual event celebrating the academic and creative accomplishments of the students at SUNY Old Westbury. If you are interested in presenting at this year's Student Research Day, please find a faculty sponsor. Please work with your sponsor to complete this application and to help you organize your presentation.

Date: April 24th, 2017

Theme: The Playing Field

Time: 9:00 a.m. – 7:00 p.m.

Where: Multipurpose Rooms in the Student Union

The theme of the conference is most easily explained by relating it to the expression -- "leveling the playing field". Papers, posters, or creative work that considers themes of equal access, opportunity, equity, fairness, comparable chance of success, etc, are especially welcomed, and students are asked to relate their projects to the theme if possible.

ORAL PRESENTATIONS:

- Oral presentations are highly encouraged. The presentation should be developed for a general audience and not a single discipline.
- If you choose an oral presentation, you will be asked to indicate your session availability. You will be expected to remain for the entire session and arrive 5 minutes before your scheduled session.
- Based on your availability, you will be assigned a 15-minute time slot (includes Q&A).
- If you will be displaying slides, please bring a USB thumb drive with the file.

POSTER or ART/MEDIA PRESENTATIONS:

- If you choose to participate by presenting a poster or art/media exhibit, this session is scheduled for Common Hour 2:30pm – 3:40pm.
- You are expected to stand by your poster or exhibit during the entire session. You may choose to display your poster or exhibit before and/or after the session as well.
- Posters should be 36" x 48". We suggest creating your poster in Microsoft PowerPoint. **Posters completed by April 10th, 2017 can be printed by the college.**
