

## PATH TO ACADEMIC & CAREER EXCELLENCE

### P.A.C.E. Checklist

- Have you consulted your academic advisor to plan and monitor your degree progress?
- Have you scheduled a career consultation to design a resume and a post-graduation plan?
- Have you visited the tutoring centers to consult on course strategies and study skills?
- Do you have a faculty mentor for academic and career guidance?
- Do you visit the counseling center to handle stress and stay focused?
- Do you get involved in campus organizations and activities?

# Are you on P.A.C.E.?

It's a big decision. You've committed time, money and effort. But the rewards are big too. The value of an education, the life-long relationships, the confidence of accomplishment and the launching of a satisfying career.

Why get on P.A.C.E? Because big rewards need a plan. A clear, thoughtful and informed plan. You do not and should not make this plan alone. Old Westbury has support and resources available for all students.
